I. READING & VOCABULARY (25 Marks)

Read the following passage and answer the questions:

The Nefertiti Hotel

Our Location

The Nefertiti hotel is the first budget hotel open in Luxor and is situated in the heart of the historical district. To the west, the hotel overlooks the ancient Luxor Temple and the avenue of sphinxes, the river Nile and the West Bank Mountains. The Nefertiti is ten minutes’ walk from the railway station and three from the bus station. It is located on El-Sahabi St, a side street of Karnak Temple St (Sharia El Karnak). To reach the hotel on foot from the train station, walk straight ahead up the main street towards Luxor Temple, which faces you. Turn right onto Karnak Temple Street, passing the bus station on your left. The hotel is on your right. We are happy to offer to pick you up on arrival at the train or bus station as a free service.

The Facilities

Our roof terrace is where you can relax and enjoy the fantastic panoramic view. We serve a variety of drinks and Egyptian dishes, and you can also order one of many different fruit sheeshas. To relax, we have a billiard table and other games. We also have satellite TV in public rooms, internet service and transportation.

Room and rates

The Nefertiti has 25 rooms, all with air-conditioning, private shower and toilet. Many rooms have balconies. We provide towels, toilet paper and soap.
