I - READING : (40 Marks)

Read the passage carefully and answer the following questions.

The town Shenzhen in China, just 40 km away from Hong Kong, is the world's biggest building site. In 1982 it was a fishing village with 2 main roads, fields and a population of 30,000. Now it has a population of 3 million.

Shenzhen is also called 'Pengcheng ', and is also located in the South of Guangdong province. It is separated from Hong Kong by the Shenzhen river in the South, so Shenzhen is also known as the "Back Garden of Hong Kong ".

Now the city is changing fast. There are new buildings, factories and apartment buildings. Hong Kong is the busiest city with a lot of cars on the road. Many people all over the world visit China to see 'The Great Wall'. There are many other beautiful places for tourists to visit like the China folk cultural village, the Shenzhen happy valley with beautiful gardens - a place for visitors to take a lot of photographs.

The tourists not only enjoy the beautiful sites, but they also enjoy the food in China. Chinese food is famous all over the world. There are many international restaurants with very tasty food. Rice is a staple food. Foods like noodles and dumplings are made out of wheat. The best is the egg fried rice and chili chicken, chicken noodles and veg pasta and a lot of variety of soups. They are cheap and easy to carry while travelling.
